

Over 10 years barcode scanner solutions and manufacturer

Dongguan DY Scan Technology Co., Ltd

Dyscan is a high-tech enterprise specialized in manufacture of barcode scanner. Our technical engineers are with rich field experience for more than 15 years.

Our company is granted dozens of patents and certifications, such as CE, RoHS, FCC, ISO9001, ISO14001, FDA, IEC, etc. invests heavily on research and development for various scanner products such as barcode modules, fixed mount scanners, handheld barcode scanners, flatbed scanners, intelligent scanners etc.

To achieve high product quality, we make the scanner products from scratch, and monitor every step of the processes like designing, machining, inspecting parts, assembling, and quality testing etc. with 2000 square meters SMT product lines.

Our customers spreads across Southeast Asia, Middle East, Europe, North and South America, Oceania, Africa. We commit ourselves to delivering the best products and services to our customers.

CERTIFICATION

CATALOG

1D Barcode module DE1400

- ≥3mil resolution
- 300times/s decode speed
- 30mm-700mm field depth
- Manual, continuous, auto sense, flashing scan mode
- USB, TTL, PS2 interface

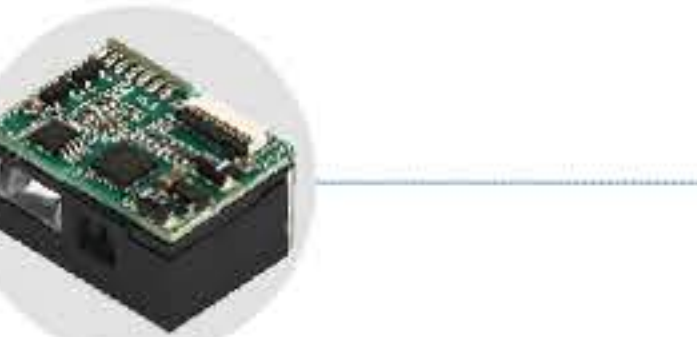

1D Barcode module DE1200

- ≥3mil resolution
- 300times/s decode speed
- 30mm-700mm field depth
- Manual, continuous, auto sense, flashing scan mode
- USB, TTL, RS232,PS2 interface

1D Barcode Module DE1500

2D Barcode module DE2110

- ≥4mil resolution
- 25cm/s scan tolerance
- 40mm-500mm field depth
- Manual,continuous, auto sense scan mode
- USB,TTL interface
- Both 1D and 2D decode

2D Barcode module DE2302

- ≥4mil resolution
- 65cm/s scan tolerance
- 30mm-600mm field depth
- Manual,auto sense
- USB,TTL interface
- Both 1D and 2D decode

2D Embedded flatbed barcode reader DP8160

- ≥5mil resolution
- 60cm/s scan tolerance
- 0mm-340mm field depth
- Manual,auto sense
- USB,TTL interface
- Wide angle scanning

2D Embedded platform barcode reader DE8130

- ≥4mil resolution
- 60cm/s scan tolerance
- 0mm-100mm field depth
- Auto sense, command trigger
- USB,TTL interface
- Wide angle scanning

2D Embedded platform barcode reader DE8120

1D CCD wired handheld barcode scanner DS5100

- ≥3mil resolution
- 300 times/s decoding speed
- 10mm-600mm field depth
- Manual, continuous, auto sense
- USB interface

1D Laser wired handheld barcode scanner DS5310

- ≥3mil resolution
- 100 times/s decoding speed
- 0mm-500mm field depth
- Manual, continuous
- USB interface

1D Laser wireless handheld barcode scanner DS5320G

- ≥4mil resolution
- 300 times/s decoding speed
- 25mm-180mm field depth
- Manual
- USB interface

DS5500L 1D laser wireless handheld barcode scanner

2D Wired handheld barcode scanner DS6100

- ≥4mil resolution
- 10cm/s scan tolerance
- 10mm-650mm field depth
- Manual, Continuous, Auto sense
- USB interface

2D Bluetooth handheld barcode scanner DS6100B

- ≥4mil resolution
- 10cm/s scan tolerance
- 10mm-500mm field depth
- Manual, Continuous, Auto sense
- Bluetooth,wireless2.4G,USB

1D CCD bluetooth wireless barcode scanner DS5100B

- ≥3mil resolution
- 300 times/s decoding speed
- 10mm-600mm field depth
- Manual, continuous, auto sense
- Wireless 2.4G,bluetooth, USB communication method

2D Desktop barcode scanner DP8300

- ≥4mil resolution
- 60cm/s scan tolerance
- 0mm-500mm field depth
- Auto sense
- USB,RS232

1D Laser desktop barcode scanner DP7200

- ≥4mil resolution
- 1650 scans/s decoding speed
- 0mm-200mm field depth
- Scan lines: 20lines
- Auto sense
- USB interface

1D Ring type laser barcode scanner DI9030-1D

- ≥3mil resolution
- 300times/s decoding speed
- 20mm-500mm field depth
- Manual scan mode
- USB interface
- Bluetooth,Wireless2.4G communication way

2D Ring type barcode scanner DI9030-2D

- ≥5mil resolution
- 65cm/s decoding speed
- 40mm-500mm field depth
- Manual,auto sense scan mode
- USB interface
- Bluetooth,Wireless2.4G communication way

2D Desktop barcode scanner DP8402V

- ≥10mil resolution
- 60cm/s scan tolerance
- 10mm-170mm field depth
- Auto sense,command trigger
- USB communication way

1D Laser desktop barcode scanner DP7210

- ≥4mil resolution
- 1650 scans/s decoding speed
- 0mm-220mm field depth
- Scan lines: 20lines
- Auto sense
- USB interface

1D Portable wireless barcode scanner DI9100-1D

- ≥3mil resolution
- 300times/s decoding speed
- 10mm-600mm field depth
- Manual, continuous, Auto sense
- USB interface
- Bluetooth,Wireless2.4G communication way

1D Portable wireless barcode scanner DI9040-1D

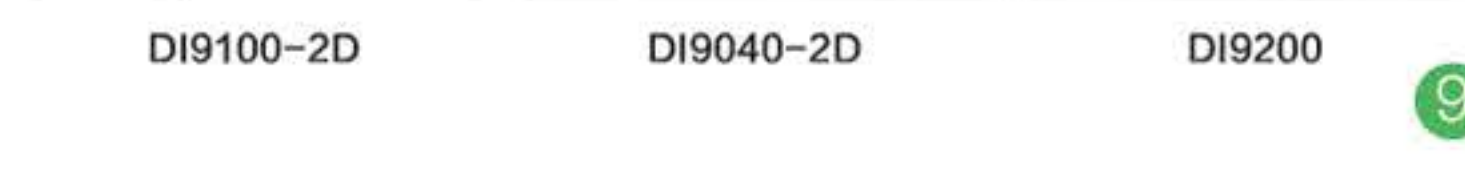

- ≥3mil resolution
- 300times/s decoding speed
- 30mm-600mm field depth
- Manual, Continuous, Auto Sense, Flashing scan mode
- USB interface
- Bluetooth,Wireless2.4G,USB communication way
